Summary

Computer Science undergraduate (CGPA: 9.01) at VIT Bhopal University with skills in Full Stack Development. Passionate about building scalable applications and seeking Software Development and Full Stack opportunities.

Education

VIT Bhopal University Aug 2023 – May 2027
B.Tech in Computer Science and Engineering (Core) **CGPA: 9.01**

Technical Skills

Programming: Java

Frontend: HTML5, CSS, React.js

Backend: Node.js, Express.js, FastAPIs

Databases: MySQL, SQLite

AI/ML: OpenCV

Core Concepts: OOP, DBMS, Data Structures & Algorithms

Tools: Streamlit, Excel, Google Sheets

Projects

Snap2Find — Lost & Found Platform **Jul 2026** github.com/meet19905/Snap2Find
FastAPI, Node.js, Express, React, SQLite, OpenAI CLIP

- A full-stack visual search platform using OpenAI CLIP for AI-based lost-item matching.
- Designed a scalable platform with React, FastAPI, Express, and claim verification.
- Implemented image-based similarity matching to identify matching lost and found items.

AI Image Captioning App (Group Project) **June 2025** github.com/meet19905/AICaptioning
Streamlit, Python, Gemini Vision Pro

- Developed an AI module for generating contextual image captions.
- Integrated Gemini Vision Pro for social media, accessibility, and e-commerce use cases.
- Designed the module for integration into applications requiring automated image descriptions.

AgriScan — Crop Monitoring System (Group Project) **Nov 2025**
agriscan-1-3aza.onrender.com
Streamlit, Python, OpenCV, DeepSORT

- Developed crop detection and tracking using OpenCV and DeepSORT for automated crop counting.
- Prepared and annotated datasets with image preprocessing for computer vision tasks.
- Developed initial yield estimation logic using crop detection and growth parameters.

Extracurricular activities

Coordinator — Gujarati Club **Sept 2024 – Sept 2025**
• Led club and mega events with **3,500+ participants** across multiple student teams, managing event logistics, budgeting, coordination, and communication with faculty and students.

Core Team — Digital Marketing, AdVITya'26 **2025**
• Contributed to digital marketing campaigns, social media promotions, and audience engagement for AdVITya'26.

Certifications

- **NSDC & Skill India: Web Design & Development** — Frontend and development fundamentals
